TO THE TRADE.

On handing this, our third annual list of varieties, we have pleasure in saying to you, our stock is grafted and budded on whole roots, free from insect pest and in prime condition. To secure the most satisfactory results we have decided to box our shipments largely the coming season, thereby making a considerable saving on freight as well as secure the arrival of trees in first class condition.

We would call special attention to our Italian and Petite prunes on Maribolan and Marianna roots, also Pear, Plums, Apple and Cherry.

Our shipping faculties by both rail and water are unexcelled.

We are fully prepared to fill car load orders on short notice. If you are hurried send orders by telegraph and we will send shipping recept by first mail. We cordially invite you to correspond with us, if convenient come to see us, call at our office and we will take pleasure in showing our nurseries.
